

## Canberra Chinese School 2024

Canberra Chinese School (CCS) is a high standard and non-profitable Chinese community school in Canberra that founded in 2016. We have three campuses in Belconnen, Woden and Gungahlin. We also run after-school Chinese programs at the Red Hill Primary School on Wednesdays. Our mission is to promote Chinese learning through quality teaching to the school-aged children.

The CCS weekend Chinese program is suitable for school-aged children with basic oral communication skills in Mandarin. We focus on teaching Ma Liping textbooks, which are highly recognised by Chinese language teaching experts around the world as the most effective model in teaching heritage children to speak and read Chinese. Students will learn 1,000 Chinese characters after four years' learning with our highly qualified and experienced Chinese teachers. We also have a Mandarin class focusing on Spoken Chinese but also with some reading and writing for both Chinese and non-Chinese background students at Woden Campus.

The CCS after-school Chinese program is specially designed for the students from both Chinese and non-Chinese backgrounds. We aim for the students to learn Chinese effectively in a fun and natural environment, progressing through with plenty of studies and games together at affordable prices. In addition to the Chinese classes, CCS also offers many interesting Chinese culture related hobby classes such as Art, Chinese Calligraphy and Chinese Folk Dance class.

School fee: Chinese lesson: \$100/term; textbook: \$101/set; Other lessons: \$12 per lesson.
